

Oxford Entertain the Clergy. October 2017.

Traditionally, at the October meeting the president and brothers of the Circle entertain the local Clergy. This year the evening coincided with the Newman Night Walk and so Clergy numbers were depleted.

However, four Clergy attended and observed the meeting and after dinner were given a short presentation and video of the Bursary fund.

Fr, Mervyn Tower, Parish Priest of Corpus Christi Church, thanked the Circle for a wonderful and informative evening and also thanked the brothers of the Circle for all the work that they do within their own parishes and for the support they give the clergy.

Our picture includes l to r Fr Andrew Foster, President Brother Denis O'Driscoll, Fr Patrick Broun, Fr Mervyn Tower and Fr Pat Armstrong.
