

Oxford Circle Host the Catenian Golf Society, February 2019.

It was in February of this year that our incoming President received an unusual request to move the date and location of our May Circle meeting.

The request came from Brendan Williams of the Catenian Golf Society who were to hold the annual Golf Tournament at the North Oxford Golf Club. Well Oxford Circle being an accommodating group readily agreed and so plans were laid to move the meeting to the Jurys Hotel at Wolvercote and the date brought forward by ten days.

The Golf Society is made up of Brothers and their wives and so this immediately meant that the post meeting dinner would be a ladies night.

At the Circle Meeting, Thirteen Oxford Brothers welcomed 69 visiting brothers from all over the UK which included GB National President John Hogan and Australia National President Ralph Fitzpatrick.

The meeting went like clockwork which was testament to the preparation put in on both sides.

The post meeting dinner was attended by 135 brothers, wives and guests. Vice President Pat Mulqueen welcomed all the visitors on behalf of Oxford Circle. The response was made by GB National President John Hogan.

It will probably a long time until the National Golf Society visit Oxford again so this will be an evening brothers of Oxford will remember fondly.
